Summary of Fee Options

Our initial appointment is free. At this meeting, I will explain how we operate, what you can expect and our payment options. All fees and commissions payable by you will be explained to you at the time advice is given and fully detailed in a Statement of Advice, Record of Advice and Product Disclosure Statements (PDS). You will have the ability to "select" your preferred payment option prior to the provision of personal advice.

This profile is part of your Financial Services Guide and should be read in conjunction with this document.

Below is a summary of our payment options, which are inclusive of GST:

Initial Commission - The product provider pays the initial commission to Consultum. This amount is not an additional cost to your entry fee. This commission may be up to 4.4% dependent on the product provider and the specific product recommended.

Where insurance products are recommended, the insurance provider may pay Consultum an initial commission based on the value of your premium. This may be up to 125% of the value of the premium.
