All fees and commissions payable by you will be explained to you at the time advice is given and fully detailed in a Statement of Advice, Record of Advice and Product Disclosure Statements (PDS). You will have the ability to "select" your preferred payment option prior to the provision of personal advice.

Below is a summary of our payment options, which are inclusive of GST:

**Financial Planning Advice Fee** - You may be charged a fee, based on either the time we spend developing the plan and/or the value of the funds you invest. **Adviser Service Fee Once-Off** - The product provider deducts a once-off fee for the services provided to you in relation to your account and pays this to Consultum. This fee may be up to 1.16% and/or from \$385.

Where insurance products are recommended, the insurance provider may pay Consultum an initial commission based on the value of your premium. This may be up to 125% of the value of the premium.

**Adviser Service Fee Ongoing** - The product provider deducts the fee from the account balance and pays this amount to Consultum. The amounts paid will depend on the investment value and will continue for the duration of your account. This fee may be up to 2.1% per annum.
